Candy Crush Special Candies and Matches

Learn about all the different basic moves you can make with the candies on your Candy Crush board. How to match 3 candies, 4 candies, and 5 candies together and what these different candy combinations will give you. These are all the basic Candy Crush tips for matching candies.

Candy Crush Special Candy Combos/Combinations

Combining two candies in Candy Crush Saga makes special candy combos, which are the most powerful matches in the game. You can combine any two special candies together to create a greater effect, whether it be a striped candy, wrapped candy, or color bomb/sprinkled chocolate.

Candy Crush Boosters and Charms

Candy Crush offers different boosters and charms that you can purchase using in-app purchases. Sometimes you can receive these boosters for free, or as a gift from a friend. Even if you are against paying money in Candy Crush, it is good to know how these different Candy Crush boosters can help you pass a level that you have been stuck on for weeks or even months.
